

OLD McDONALD'S FARM, INC. (updated 2017)

STUDENT CAMP COUNSELOR AND STUDENT SUMMER HELPER CONTRACT (Page 1 of 2)

For every OMF week-long Summer Program (or camp), there are two *Student Camp Counselor* (SCC) positions available for alumni students who are 14 years old or older. Additionally, there are two *Student Summer Helper* (SSH) positions available for student alumni 12 years and older. Both SCC and SSH ("Grey Shirts") must read and complete this contract along with their parents. We will still need the All Summer Registration Form to register your child as well.

Being a SCC or SSH at OMF is an exciting opportunity to continue to learn about animals and the environment while developing leadership abilities and becoming a manager-in-training.

As a SCC or SSH, the number one thing to remember is that safety (of children and animals) is always our highest priority. SCC and SSH students are expected to behave responsibly and show respect to people and animals at all times.

Student Camp Counselors duties include assisting the teachers in classroom management, developing and implementing curriculum and activities, teaching riding lessons, mentoring *Student Summer Helpers* and other duties as assigned. Counselors are also required to prepare and make oral presentations at the end of each week.

Student Summer Helpers duties include assisting with educational activities, farm chores, and management of other children along with other duties as assigned. Helpers are also required to prepare and make oral presentations at the end of each week.

Check here if you are ordering a shirt or sweatshirt _____

Grey "T" shirts with title and student's first name are required for SCC and SSH. Our staff shirts are \$20 each and sweatshirts are \$30 each. If you do not have a shirt, then please order here now. Sweatshirts are not required but recommended. We recommend at least two shirts so one can be worn while the other is in the wash and one sweatshirt as the mornings are usually chilly out in Corbett. Students will get cold even in the summer. Students will also get dirty while out at OMF but must come to OMF clean and tidy to start each day. Please remember, little kids are watching your behavior so SCC/SSH must model good, "can do" behavior.

Print first name very clearly here: _____

Print title here (SCC -14+ or SSH-12 &13): _____

Please, the extra amount for shirts must be included along with your All Summer Registration Form and transportation fee. Shirts can only be ordered up to two weeks prior to the start of the first Summer Program session of that year.

Circle for "T" Shirts or Sweatshirts: student sizes S, M, L, or adult sizes S, M, L, XL (XXL or XXXL available for \$2 extra).

Please write out numbers, sizes and prices of Tee shirts and Sweatshirts here to reconfirm so we do not make a mistake.

NOTE:

PANTS: Each student must wear clean black, tan or blue long pants that are not too tight and do not have writing on them or rips or tears. **ALSO, PANTS MUST HAVE BELT LOOPS AND STUDENTS MUST WEAR BELTS.**

SHIRTS: OMF grey shirts are to be tucked in at all times. Students are to come to OMF clean and tidy each day please.

SHOES: Each student must wear tied-on, sturdy shoes. "Tennis" or "Running" shoes are not recommended because they do not help if a 1,000-pound horse steps on your foot... a hiking type boot is highly recommended.

BRING A WATCH AND NO JEWELRY: Only one pair of small earrings is allowed to be worn. Do not wear any other jewelry such as necklaces and bracelets; these are unsafe on a farm. **STUDENTS MUST HAVE A WATCH EACH DAY!**

HAIR: Students with long hair must clip and tie back hair. Your hair is not allowed to flop in your face or in front of your eyes. Thank you for your cooperation and understanding.
